VERY URGENT

Office of the Inspr-Genl of Police in Mysore,

Dated Bangalore, 13th April 1916.

No. 7 Ps 98 61

From

Diwan Bahadur C. SRIKANTESVARA AIYAR, B.A., B.L.,

Inspector General of Police in Mysore.

To

D. V. Narasinga Rao, Esqr., B.A. B.L.,

Secretary to the Govt. of H. H. the Maharaja

of Mysore, General Department.

Sir,

J.D. 780-14 Adverting to your office memorandum No.J.3976/Pol. 229-14-1 dated 20th May 1915, regarding the study of foot-prints, I have the honour to state that an annual Foot-print class is held at Chikalda in the Central Provinces, in the months of May and June and that students from other Provinces in India are also admitted into the class. The course lasts for two months at the end of which the students will be examined as to their proficiency in the knowledge of the science.

2. From the report of Mr. Sempkins, Assistant Superintendent of Police in charge of the School at Chikalda, published on page 233 of the supplement to the Bombay Police Gazett dated 6th August 1914, it is seen that considerable progress has been made in the study of the science of foot-prints, and Mr. Sempkins assures that an intelligent Sub Inspector can be made a practical tracker in about three months' time. Some Inspectors and Sub Inspectors and even Assistant Superintendents of Police from the other Provinces in India have already had training in the Chikalda School and I therefore take this opportunity of recommending Inspector Mr. T. S. Srinivasavaradachar, who is now working in the Kolar Gold Fields, for being deputed to undergo the necessary training in the above School.

(4)

3. Mr. Srinivasavaradachar was working lately in the Finger Print Bureau of the Chief Office, and is young and energetic and possesses a good physique and keen eye sight as well, qualifications which are essential for admission into the class at Chikalda. Instances are not wanting wherein criminals leave behind them, at or about the scene of their crime, traces of foot-prints, which to the common eyes might appear to be of little or no consequence and so lost sight of by many an investigating officer, but which under an expert eye might lead to the successful tracing of the real culprits themselves.

4. As the School at Chikalda will open from the 1st May next, I request that you may be so good as to obtain early sanction of Government for the deputation of the above named Inspector.

5. The Assistant to the Inspector General of Police, C. I. D., Central Provinces, has, in his letter No.218 dated the 7th instant (copy enclosed for ready reference), promised to reserve a place in the forthcoming Foot-print class. The Inspector will be allowed to draw his salary, viz., Rs. 40 plus 20 and in addition he may be given a deputation allowance of Rs.8 per month as per article 55 of the Mysore Service Regulations. He will be allowed to draw his usual travelling allowance under the codal rules. No acting arrangements entailing additional expenditure will be made during his short absence on such important and useful deputation.

6. Favour of early approval to this proposal is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Srikantaraiya

Inspector General of Police.

Letter No.218 datedthe 7th April 1916, from the Assistant to the Inspector General of Police, C.I.D., Central Provinces, to the Inspector General of Police in Mysore.

Encl to bk 181-16

I have the honour to acknowledge receipt of your No.89/F.P. dated 1st instant, and in reply to state that a place has been kept for you in the forthcoming Foot-print class, which will be held at Chikalda in the Amraoti District, commencing on the.1st May.

2. Chikalda is a small hill station which is reached by rail to Ellichpur, the route being via Dhond, Manmad, Murtizapur and Ellichpur. Chikalda is 32 miles from Ellichpur by tonga.

3. There are no expenses connected with the class except perhaps in the way of glass plates and plaster of paris etc, amounting in all to 1 or 2 rupees.

4. The work I may add is very hard and all officers have to work with their hands as well as their heads, on the ground and in the ground, in all weathers. I would therefore ask you to send a man who would not be frightened of hard work.

5. Although there is no Government accommodation for police officers attending Chikalda for the class, arrangements are always made for putting up such officers as attend, both European and Indian.
